**Here it is!** A great new way to refresh or share your faith! It's called H2O A Journey of Faith and is a video based course that's like none other. Its basic premise is that everyone has a deep thirst within, a longing that only the living Jesus can satisfy. The course is 10 weeks long and will be held every Sunday evening. We begin with supper, watch a half hour video, and spend some time discussing it. The evening will wrap up within 2 hours. Come check it out. But also consider inviting friends of family. For further information talk to the Outreach Ministry or check it out at: <http://www.youtube.com/watch?v=u4Ovou6uobk> Consider passing on this youtube site to friends to invite them.

H2O's videos are only a half hour long and are fast moving and interesting: **great for children and youth** as well as adults. This 10 week course promises to be a comfortable small group experience, a nice way to deepen friendships and get better connected to others in our church.
