Volunteers are still needed to teach, help with crafts, for registration, in the kitchen, with games and in the nursery. Nursery and a toddler program are available for the children of volunteers. Sunday, June 13 and June 20 - Community CRC

Get ready to make a splash at **High Seas Expedition** this summer. Vacation Bible School is from July 19-23 for children who have completed Junior Kindergarten through 6th grade. They will sample tasty goodies from the galley, go on unforgettable Bible voyages, make nautical crafts that remind them of each day's Bible story, race around at the ship rec and more. Registration forms are available on the table in the church foyer. Completed forms can be placed in Brenda Guerink's mailbox. We hope you register your kids and encourage you to tell your friends and neighbours to come to join us at sea for a swashbuckling adventure through God's Word.

Sunday, June 20 -- Publicity skit

See promotional skit from Director's kit. Each church will need two volunteers to perform the simple skit—a great way to start getting the kids engaged. After the skit is over, one of the volunteers needs to remind church attendees where the registration forms can be found and when the registration deadline is and any other pertinent information.
