

Who are we?

We are people who have discovered God's great love. As a response, we desire to love God passionately and to share His love with our community.

Together, we're striving to become the kind of church described in the Bible. A church with heart-felt worship, loving relationships, relevant teaching, constant prayer, and compassion and care for those who are hurting or in need.

What you can find here?

What do we believe?

Our primary identity is in being part of the universal church of Jesus Christ. As such, our main beliefs are in the triune God, the atoning death of Christ and the trustworthiness of the Bible.

We are also part of a group of churches called the Christian Reformed Church that stresses God's control over all things and how God works in covenant with us and with our children. For more information about the Christian Reformed Church you can visit the Web site at www.crcna.org.
